An Introduction to Training & Technical Assistance

Helen Connelly, Director, BJA’s NTTAC
Glenn Archer, Executive Director, IJIS Institute
Cabell Cropper, Executive Director, NCJA

Webinar Housekeeping

Audio Support:
• Use Telephone or Mic & Speakers
• Check Audio Setup for problems
• All callers will be on mute throughout the webinar

To ask a Question:
• Type a question in the box; click Send
• Staff will respond in the ‘Questions’ box

Materials & Recording:
• www.bjat raining.org – Wed., Dec. 14
BJA’s NTTAC

What is BJA’s NTTAC?

• BJA’s National Training and Technical Assistance Center (NTTAC) offers specialized assistance to develop and implement comprehensive, system-wide strategies for public safety that also improve criminal justice systems.

• NTTAC services are directed to criminal justice agencies, practitioners, and organizations.

• NTTAC is one of more than 50 BJA TTA providers.

• NTTAC services are tailored to the needs of the requestor. NTTAC is not a grant program.

• NTTAC not only offers services but can help you connect to other BJA TTA providers and services.
Services Provided by BJA’s NTTAC

- Faculty assistance
- On-site training
- On-site studies or support
- Peer-to-peer/mentoring assistance
- Document/publication development or review
- Off-site assistance
- Partial scholarships
- Focus/advisory group assistance/problem solving
- Information dissemination

How to Make a Request

BJA’s NTTAC is ready to assist you with your training and technical assistance needs. We have two ways to get the training and technical assistance request process started:

- Do you already know what training and technical assistance you’re requesting? It’s easy. Fill out our full request form to get the process started.
- Not exactly sure what your needs are? Do you need help defining your request? Is your unique issue not covered by our NTTAC assistance? We’ll work with you to define your technical assistance needs and then provide you with resources.

You can always reach us via email at: bjatraining@doj.gov or via phone at: 202-514-5058.

Our Mission...

The IJIS Institute unites the private and public sectors to improve critical information sharing for those who provide public safety and administer justice in our communities.
Information Sharing

is at the heart of everything we need to do to prevent terrorism, reduce crime and improve the quality of justice in America

The IJIS Institute

A Proud History

• A non-profit consortium of leading organizations that supply IT solutions and services to the justice, public safety and homeland security sectors

• Funded by a combination of industry contributions and grants from multiple federal agencies

• Provide training, technology assistance and program management services to local, state, tribal and federal organizations to help them fully realize the power of information
industry
government

Springboard

Overview

Providing a venue to engage industry as a foremost avenue in the advancement of national information sharing and interoperability standards for justice, public safety and homeland security...

- Springboard is a new IJIS Institute standards-based interoperability (SBI) program designed to help advance information sharing.

- Key to the success of the Springboard mission will be in the ability to attract industry, government and stakeholder interests.
Updates

- Last Governance Council Update August 2011
- Global Advisory Committee Update October 2011
- IACP CJIS Committee Update October 2011
- FBI/CJIS APB INSH Subcommittee December 2011
- Continuing Development of CONOPS December 2011
- Identifying the First Springboard Initiative January 2012

Operational Structure
Impacting LE & Justice

- Accelerating the pace of information sharing nationwide through standards and technology
- Providing a venue for industry and government to effectively collaborate in the implementation of high priority information sharing solutions
- Improving the quality and timeliness of critical information relied upon by law enforcement and justice professionals
- Reducing the incidence of crime and other threats to public safety, and public safety personnel, due to the inability to access critical information

IJIS Upcoming Events

- IJIS Institute Committee Meetings, Jan. 18, 2012
- IJIS Institute Industry Briefing, Jan. 19-20, 2012
  ▫ Over 60 speakers, 30 sessions
