

# School and Career Goal

Name: \_\_\_\_\_

All youth should create a plan listing their school and work goals. Staff and parents will help identify steps to reach school and work goals. This plan can be adjusted as career exploration activities are completed and assessments are completed. Case Managers should list as many steps as necessary to achieve goals. Once a plan has been made, Staff should record plan in CM system to share with other staff.

## School Goal:

\_\_\_\_\_

Step 1:

\_\_\_\_\_

Step 2:
